CABLE TV

MBC is the on-base distributor of American Forces Network (AFN) programming. MBC's HD Military Tier is provided for FREE and includes eight (8) channels of AFN, five (5) channels of Japanese broadcasting, and six (6) locally originated command and information channels.

WHOLE HOME WIFI

MBC Whole Home WiFi is the solution for wireless connectivity in the steel-reinforced concrete on-base family housing! The service uses the coaxial structured wiring to combine a wireless modem with WiFi extenders providing WiFi coverage throughout the whole home.
